Latin & World Music

Stand Up Latin Duo

Have you ever wanted that undeniable Latin sound but not had the space or budget to hire an 8-10 piece group? Vocalist Cari from Cuba delivers a very powerful performance using highly effective and very danceable backing tracks.

This is combined with live percussion provided by SugarDog on congas, bongos etc. So for those small spaces requiring a genuine Latin sound then look no further. "wow I thought you were an 8 piece Salsa band" club goer The Cuban, Canterbury

Samba drummers

We can provide any number of samba drummers with costumed dancers. Create that Rio atmosphere, the sounds of the World Cup and the Rio Olympics to come.

Genuine street sounds played by some of the best drummers and percussionists around. Instant on the spot and high energy, a guaranteed all round display of drums and sounds.

Club percussionist

Adrian has been playing alongside DJs for years and has a good angle on the right beats to play at the right time.

He knows how to gauge the crowd and generate some great Bongo grooves.

Playing to house, funky house, dub, reggae, garage anything that requires some vibrant live percussion.

Fully self contained percussion set up
